

Avance 2 – Proyecto final – Tecnología Web I

David Lima

- Se verificó los cambios realizados en repositorio local de la Aplicación Web: **Incachaca-tour**

```
MINGW64:/d/Git/Incachaca-tour
Lenovo@DESKTOP-2CI3G9B MINGW64 /d/Git/Incachaca-tour (master)
$ git status
On branch master

No commits yet

Untracked files:
  (use "git add <file>..." to include in what will be committed)
        connection.php
        contacto.php
        css/
        db_class.php
        edit.php
        footer.php
        header.php
        img/
        index.php
        insert.php
        lugar.php
        reserva.php
        servicio.php

nothing added to commit but untracked files present (use "git add" to track)
```

- Se agregó los cambios en repositorio local.

```
MINGW64:/d/Git/Incachaca-tour
Lenovo@DESKTOP-2CI3G9B MINGW64 /d/Git/Incachaca-tour (master)
$ git status
No commits yet

Changes to be committed:
  (use "git rm --cached <file>..." to unstage)
        new file:   connection.php
        new file:   contacto.php
        new file:   css/main.css
        new file:   css/normalize.css
        new file:   db_class.php
        new file:   edit.php
        new file:   footer.php
        new file:   header.php
        new file:   img/dragonfly.jpg
        new file:   img/incachaca.jpg
        new file:   img/paquete.png
        new file:   index.php
        new file:   insert.php
        new file:   lugar.php
        new file:   reserva.php
        new file:   servicio.php

```

- Se agregó archivos para vincular repositorio local con repositorio de Heroku

```
MINGW64/d/Git/Incachaca-tour
(use "git add <file>..." to include in what will be committed)
  Profile
  composer.json

nothing added to commit but untracked files present (use "git add" to track)
Lenovo@DESKTOP-2CI3G9B MINGW64 /d/Git/Incachaca-tour (master)
$ git add .
Lenovo@DESKTOP-2CI3G9B MINGW64 /d/Git/Incachaca-tour (master)
$ git status
On branch master
Changes to be committed:
  (use "git restore --staged <file>..." to unstage)
        new file:   Profile
        new file:   composer.json

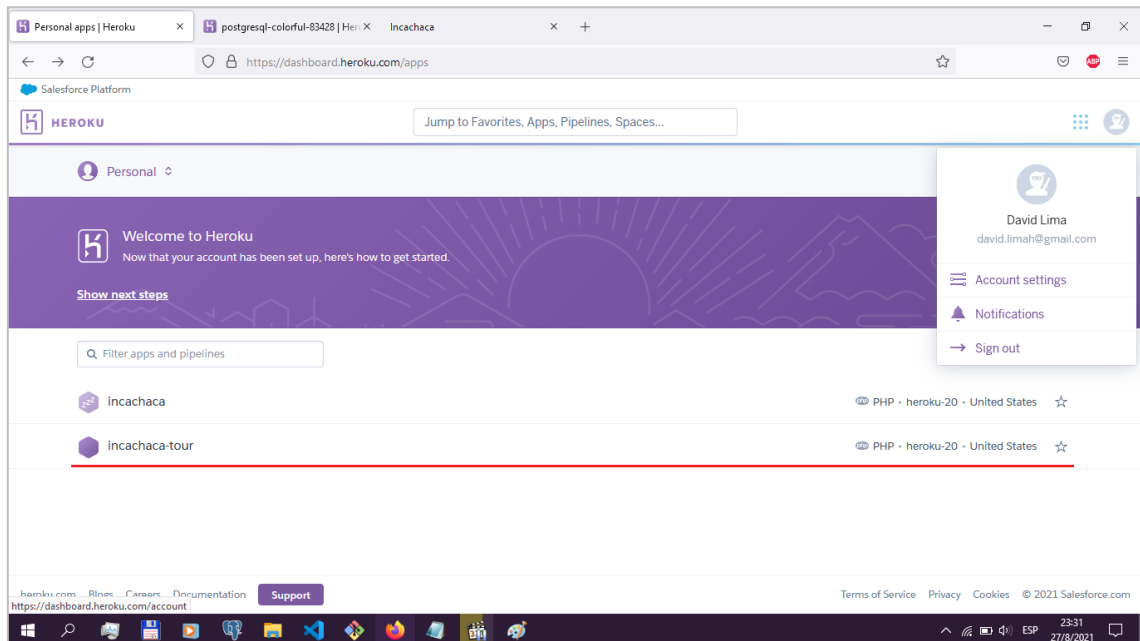

Lenovo@DESKTOP-2CI3G9B MINGW64 /d/Git/Incachaca-tour (master)
$ git commit -m "Se crean archivos para conexion con Heroku"
[master 348d75a] Se crean archivos para conexion con Heroku
2 files changed, 2 insertions(+)
create mode 100644 Profile
create mode 100644 composer.json
```

- Se enlazó repositorio local con repositorio de Heroku.

```
bash: $: command not found
$ git push staging master
Lenovo@DESKTOP-2C13G98 MINGW64 /d/Git/Incachaca-tour (master)

```

- Se verificó que el proyecto “Incachaca-tour” haya sido cargado correctamente.

- Se verificó que el add-on de PostgreSQL esté conectado a la Aplicación Web

The screenshot shows the Heroku Datastores dashboard for a PostgreSQL instance named 'postgresql-colorful-83428'. The instance is connected to the 'Incachaca' application. The dashboard displays the following information:

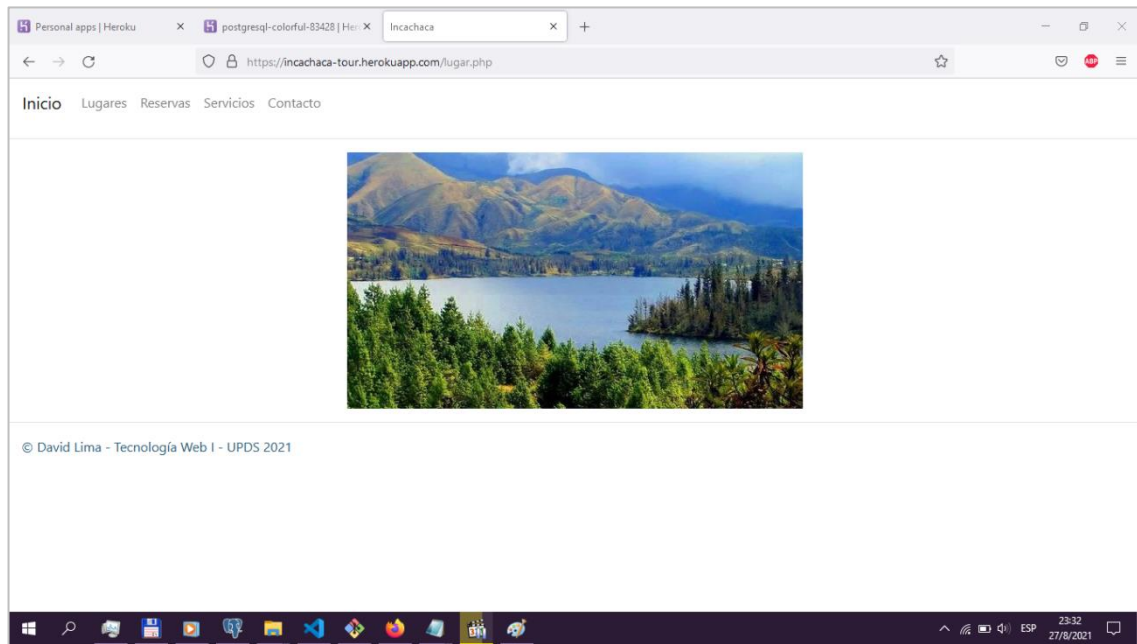

- HEALTH:** Available (indicated by a green checkmark).
- UTILIZATION:** 1 of 20 connections, 1 of 10,000 rows, 8.2 MB data size, and 1 table.
- Primary:** Yes
- Version:** 13.4
- Created:** 7 hours ago
- Maintenance:** Unsupported
- Rollback:** Unsupported

A red box highlights the UTILIZATION section, which shows the connection, row, data size, and table counts. The bottom of the dashboard includes links for Documentation, Support, Terms of Service, Privacy, and Cookies, along with a copyright notice for 2021 Salesforce.com.

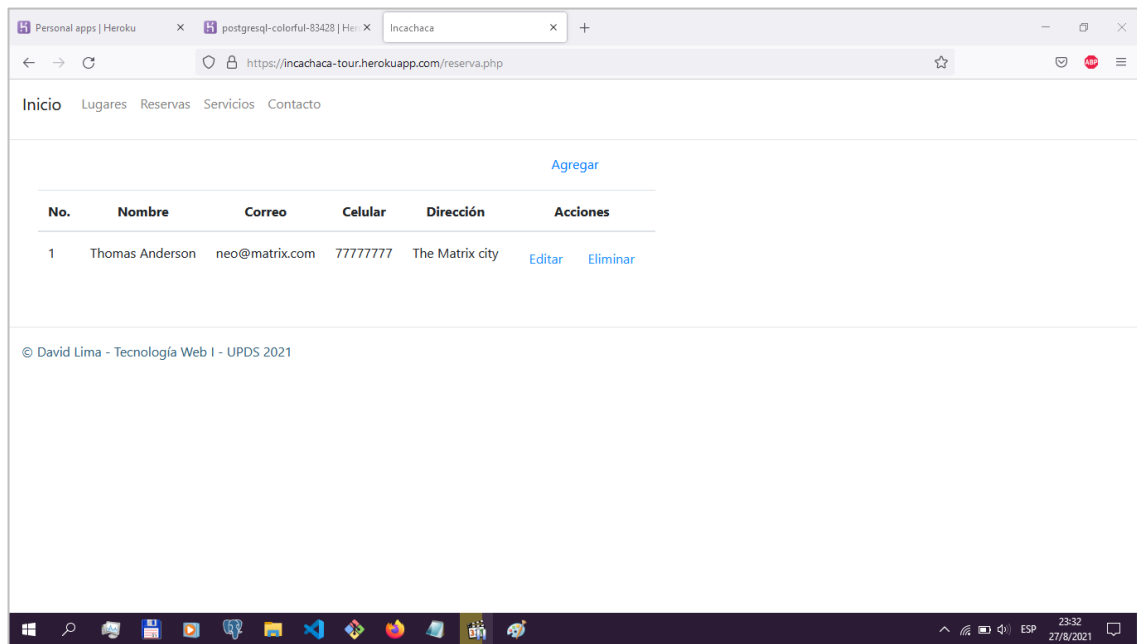

- Se verificó que la Aplicación Web se ejecute de manera correcta (index.php).

The screenshot shows the web application running on the 'index.php' page. The page has a navigation bar with links for Inicio, Lugares, Reservas, Servicios, and Contacto. The main content area features a large, stylized orange flower logo. The footer includes a copyright notice: © David Lima - Tecnología Web I - UPDS 2021.

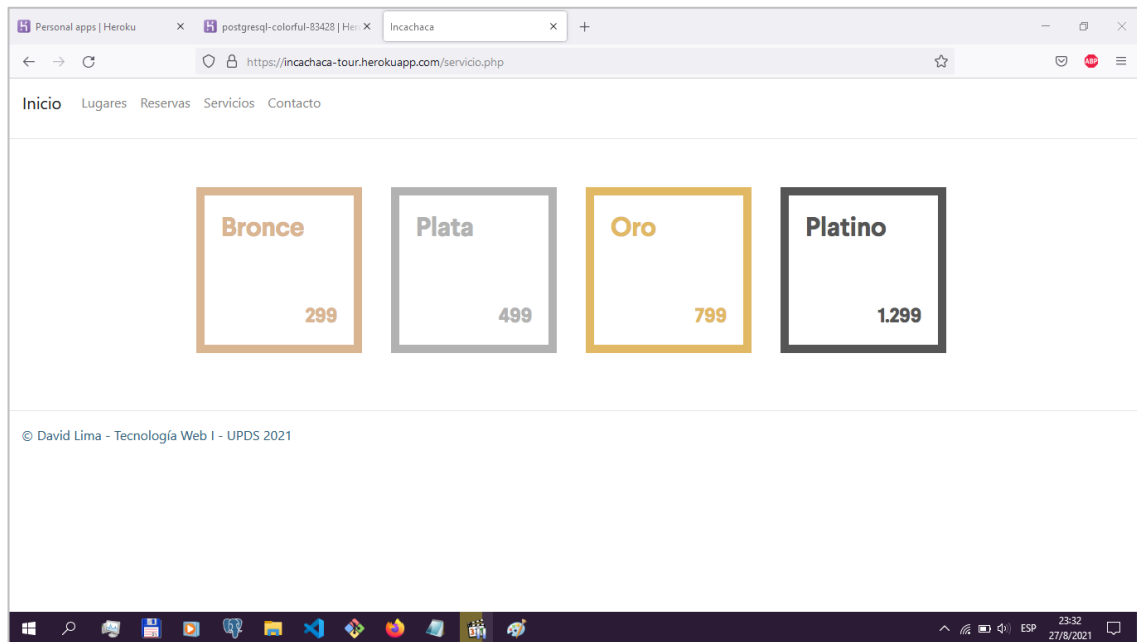

- Vista lugares

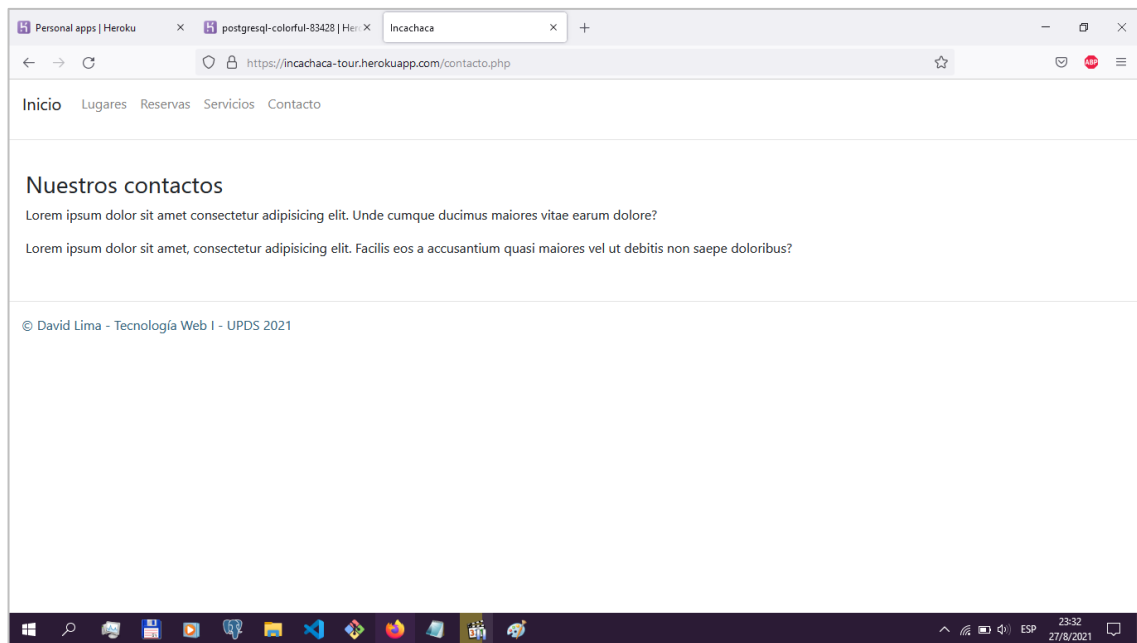

- Vista reserva clientes conectada a la base de datos PostgreSQL:

- Vista servicios.

- Vista contactos.

- Se agregó el vínculo a la Aplicación Web Incachaca-tour

The screenshot shows Visual Studio Code with an HTML file named `index.html` open. The HTML content includes a header with a title 'Tecnología Web - Portal de Asignaciones', a main section with links to 'Servidor Web', 'Práctica 1', 'Práctica 2', 'Práctica 3', 'Práctica 4', 'Proyecto Web', and 'Final'. A terminal window is open in the background, showing the output of a `git status` command, which indicates that the branch is up to date with 'origin/master'.

- Se verificó los cambios en GitHub
